SIR,

Inam lands endowed to Sri [illegible]

Adverting to Financial Secretary's [illegible] Muz. dated 1-10-1931 forwarding for disposal a petition from [illegible] archak Ramakrishna Sastry of the above temple, [illegible] forward herewith the entire file of records [illegible] pondence ending with letter No. Muz.I.1.13.C/ 6-27 dated 2-12-34 from the Deputy Commissioner, Shimoga District, [illegible] the above and to state as follows:-

2 The above temple is a Muzrai institution [illegible] with extensive inam lands at Basavan[illegible] (near Wadeyar) [illegible] comprising of 52 S.Nos. of the total extent of [illegible] and assessed at Rs.468/- with a jodi of Rs.1[illegible]-9-0.

3 As the village is not a populous one, the lands are lying fallow for a long time and no one is forthcoming to take them [illegible] on long term leases with the result that the jodi and assessment due to Government have fallen into arrears, the archak [illegible] his remuneration for a number of years and the [illegible] discontinued for the last one year. In view of these circumstances the Deputy Commissioner [illegible] the following suggestions:-

(1) That the occupier rights [illegible] it is likely that ryots will come forward to take up [illegible] at least some of the lands [illegible] some permanent income to the temple.

Letter No.Muz.I.[illegible].1250, 26-27 dated 25-3-25 from the Deputy Commissioner, Shimoga District, to the Muzrai Commissioner in Mysore.

Subject:- Regarding the arrears of pay due to the archak of Sri Lakshmi Janardhana Bhadradevaru Temple at Tarikere, Shimoga Taluk.

With reference to your letter No.1767/I-3 dated 20/7th [illegible] calling for a full report with definite proposals regarding [illegible] of the inam lands of the temple, I have the honor to state as follows:-

The Amildar, Shimoga, has reported that out of the total arrears of Rs.1991-14-0 that remained outstanding at the end of 1923-24, a sum of Rs.1-12-11 is due from the tenants shown in the statements as [illegible] records (vide under A in the statement), that these being [illegible] their whereabouts are not known or they are insolvent, that the [illegible] relating to the remission of this amount is under correspondence, that the arrears due from Mr. Kunke Subrahmanya Sastri relate to the period from 1914-15 to 1917-18, that they also cannot be recovered as they are more than 12 years old and that action has been taken to recover the arrears from the kulas shown under C in the statement amounting to Rs.263-11-4. The Amildar reported that there is a balance of Rs.116-0-1 at the credit of the institution which is quite insufficient to pay the archak who is to be paid Rs.150-8-0 being the arrears from 1919-20 to 1925-26 (inclusive), that the inam lands are lying fallow as no body likes to take them up for cultivation, that kandayam of Rs.127-12-0 due to Government on these lands for 1924-25 has fallen into arrears and that if the balance at the credit of the institution is utilised for paying the archak there remains no balance to [illegible] the kandayam due to Government.

The Amildar has submitted a responsibility sheet showing the names of the Amildars who were in charge of the taluk from 1910 to 1925. Six of them are not in service now and the remaining six that are in service, were in charge of the taluk for short periods. The records pertaining to the recovery of the arrears from the several defaulters go to show that coercive [illegible] were started in 1907 but they were not pursued and the cases brought to a close. Mr. Subrahmanya Sastri has stated that he did not take up the lands at all for cultivation. There is no reference in the records to show that his statement was verified with either the village accounts or taluk office references. All the cases noted under A and B in the statement submitted by the Amildar require some time for final orders being passed thereon. The Sub Division Officer will be requested to enquire into each case early and submit a complete report.

The Amildar reports that if the amount at the credit of the

tions is adjusted towards the kandayam, there will be no money left to pay the archak. The Amildar and the Sub Division Officer therefore recommend that a sum of Rs 100/- may be permitted to be paid to the archak out of the funds now at the credit of the institution (viz. Rs. 116-6-1), the question of paying him the balance being considered when funds become available.

It is recently reported by the Amildar that puja had been done during the years 1919-20 (inclusive), that it is not done for the last one year and that the temple building is in disrepair.

As regards the disposal of the inam lands, I wish to state that the village is stated to be not a populous one and that no one is coming forward to take them up, even long term leases are offered. If their occupancy right itself is disposed of as has been done in a similar case of the inam Kachinkatte village belonging to the temple of Sri Kote Anjaneyaswami at Shimoga (vide your office order No.R.Dis.105/34-35 dated 5/7th December 1934) ryots may perhaps come forward to take up all or at least some of them for cultivation and bring some permanent income to the temple. I, therefore propose that the occupancy right of the lands may be sold. The kandayam due on the lands may be ordered to be remitted ordered to be ~~remitted~~ as a special case.

The connected two files of records are sent herewith for reference.
